

## Press Release

For Immediate Release: November 22, 2010

### Calling all East Lansing High School Graduates! The East Lansing Educational Foundation Introduces the ELHS Online Community

---

East Lansing, MI – Calling all East Lansing grads! The East Lansing Educational Foundation is proud to introduce the East Lansing High School Online Community:

<http://www.graduateconnections.com/elhs>

We welcome Trojan alumni to take advantage of these features:

- Find out what your old friends are up to both personally and professionally. A comprehensive and searchable Online Directory of all alumni makes it easy to see where they are and what they're doing and update your personal profile as well.
- Exchange the latest news with former classmates in the special Class Notes section covering categories such as Engagements and Marriages, Births and Adoptions, Career News, Educational News, and more.
- Looking for the latest and greatest Trojan reunion information, updates on long lost friends, or a place to reminisce? The Discussion Groups feature is the perfect place to share news, ideas, or memories.
- Interested in a career move, or trying to fill a position for your firm? The Career Center is the place to go to post your resume or search for a job.
- The Yellow Pages feature makes it easy to support the businesses of your fellow alumni, or make the services of your business available to them.
- Start your own personal network with the MyNetwork feature and create a network of friends that you can easily communicate with through evites and email.
- Stay in control of your online community experience using the personalized MyPage area and online Member Services.

Catching up with ELHS friends has never been easier. To learn more, simply visit <http://www.graduateconnections.com/elhs>. This virtual community is offered through Harris Connect, a leader in helping schools engage and leverage the power of alumni. [www.HarrisConnect.com](http://www.HarrisConnect.com)
