As we begin 2012, I want to thank you for your support of the East Lansing Educational Foundation. With uncertain funding and limited school budgets your contributions to the ELEF are more important now than they have ever been.

The East Lansing Educational Foundation is an autonomous entity, separate from the School District and the School Board. We are an independent, not-for-profit 501(c)(3) charitable organization that operates according to established guidelines and awards grants on the merits of the submitted proposals.

The Foundation operates most effectively when it is a totally independent, non-partisan entity. Our mission is to raise money to support all the students in all of the East Lansing Public Schools. The Foundation does not take a position on any election.

In regard to the upcoming bond proposal election, ELEF encourages you to become informed on all of the issues and vote for the position that you think will be most beneficial for our students and our community.

Sincerely,

Jim Papazian
President
